SUMMARY OF THE REASONS FOR DECISION:

The magazine entitled *Kinky Perversions Vol 2 No.3* is deemed objectionable under s3(2)(d) of the Films, Videos, and Publications Classification Act 1993 because it promotes and supports the use of urine in association with degrading sexual conduct. The magazine contains a feature article in the form of a letter which provides explicit commentary and discussion on the sexual activity of male and female twins with a particular focus on urine. It is considered that the availability of the magazine is likely to be injurious to the public good and is therefore classified as:
Objectionable.
